

### **New benefits**

- The Monday Morning e-Brief (MMeB) has a **Member Forum networking section** for Associate members to offer services, and respond to members' requests for services
- Our partnership with Monex USA extends 50% savings on international wire fees, and offers increased flexibility for overseas payments. Monex USA provides Associate members more efficient management of global payments and foreign currency risk

### **Proprietary Trade Tools (Free to members; nonmembers pay \$1,500 per year per item)**

- NCBFAA Terms & Conditions
- NCBFAA Combined Bill of Lading
- NCBFAA Power of Attorney Forms

### **Industry exposure and networking**

- Regular members seeking new services (or changing vendors) consider our Associate members first
- Associate members may submit company profiles promoting their services and specialties in our weekly electronic newsletter, reaching 10,000+ subscribers
- Direct access to current and prospective clients at events frequented by the competition
- Associate Members receive discounted registration to our conferences and events for excellent networking and educational opportunities.

**Significant discounts** on first-in-class educational offerings and events (worth hundreds to thousands of dollars per year)

### **Membership also keeps you competitive**

- Time-sensitive industry information and communications from the NCBFAA [think Covid-19, trade conundrums, government shutdowns, regulatory roller coasters]
- NCBFAA's committee network for business advice
- Access to the Member side of the NCBFAA Website, newly designed in 2022 to allow you to better serve your clients
- Listing in our exclusive Membership Directory
- Ongoing communication with CBP and other government agencies including drafting communications for you to share with your clients to highlight your engagement in keeping their freight flowing across the borders and working to find contacts within each agency that can help troubleshoot any issues that arise during the shutdown
- Ongoing dialogue with CBP, BIS, USDA, FDA, CPSC, and other agencies vital to our industry regarding industry concerns and suggestions for keeping trade moving
- Partnerships with industry leading coalitions, government agencies like ITA, public/private partnerships and other organizations that deliver value to our membership
- Authorized use of the NCBFAA logo and Membership Certificate showing your good standing within the Association and the industry.
